## ***Aurora State Airport Master Plan Update – Planning Advisory Committee Meeting #1***

**Date:** July 22, 2010  
**Time:** 6:00 pm – 8:00 pm Advisory Committee Meeting  
8:00 pm – 8:45 pm Public Comment Period  
**Where:** Charbonneau Country Club  
(32000 SW Charbonneau Drive, Wilsonville, OR 97070)

The intent of the Master Plan Update is to update the 2000 Aurora State Airport Master Plan. This document is ten years old and needs to reflect new facilities, current projections of airport activity, new environmental and other regulatory constraints, and plan for the appropriate airport layout to support projected airside and landside needs and the long-term financial health of the airport.

ODA has developed a Planning Advisory Committee (PAC), which is a major component of the public involvement process. This first meeting of the PAC will provide a review of the master plan process and discuss the revised schedule. There will also be a discussion of the Plan's goals and potential issues. Following the PAC presentation and dialogue, the public will have an opportunity to provide input.

Interested parties may visit the project website at [www.aurorastateairport.org](http://www.aurorastateairport.org) to view the meeting agenda. This document is also available from ODA by calling (800) 874-0102. Persons with disabilities who require special accommodations should call (800) 874-0102 at least 48 hours prior to the meeting.

Members of the public are welcomed and encouraged to attend the PAC Meeting to discuss the Master Plan Update project.
